Footnote 1

Notes:

Room 126, Facility PCO- Parker Pest Control of Wichita treated room 126 for general pests on 11/6/2014. 11/10/2014 room not in operation waiting on PCO recheck. No visual evidence of pests in the room 126 at time of inspection and review of PCO treatment invoice showed no activity noted in room 126. Room was not being rented and was waiting reinspection by PCO. Based on inspector review/inspection there is no cause for formal closure of room 126 and owner stated that they were treating as a precaution. PCO also inspected/treated rooms 124 and 128 and both rooms were available for rent at time of inspection. Inspector did a spot check of mattresses and found no pest activity.
