## Disaster Report Form

### **Footnote 1**

#### **Notes:**

There was a trailer that turned over on the I-70/HWY 75 bridge bypass heading southeast on the highway. There was around 41238.00 pounds of raw pork shoulder that were in bulk boxes and palletized for shipment. They were stacked two high in the trailer when the trailer turned over. The internal temperature of the product was 35.7F. The way the product was shipped when the trailer turned the product was dumped out into the trailer. After talking with the owner they decided to discard all product. All product was taken to the Waste Management Landfill for disposal.
