Notes:

14. * Critical 2 food trays dirty from under cabinet COS-Corrected on site recleaned

22. Note: Establishment has no hot holding wells for food service and should consider requesting a variance for time as a control for foods served on the food service line. This variance can be requested by writing a letter to the Kansas Department of Agriculture (KDA)Topeka office attention Adam Inman. The letter must include the types of food and procedures the establishment will use for documenting time and temperature of the food served from the service line.

27. * HACCP plan records do not have corrective action on out of temperature findings, COS-Manager will hold training and contact inspector once completed.
